Mr. Roderick M. Engert  
Chief, Historical Reference Branch  
U.S. Army Center of Military History  
Washington, D.C. 20314

Dear Rod,

I'll enclose a couple of copies (one for you personally, and a spare that may be useful in your reference files) of the DCI-DDCI biographical data book that we published earlier this year. I had meant to send you these some time ago, and I apologize for the delay.

There has been a considerable military element in CIA's leadership, and I'm especially grateful for the help you gave me in researching our Army generals. We've already found a couple of typographical errors (e.g. General Marshall Carter was born in 1909, not 1901), and if you note any inaccuracies I would be glad if you would let me know.

With all good wishes,

Sincerely,

J. Kenneth McDonald  
Chief Historian
